

MASMICRO – GENDER AWARENESS QUESTIONNAIRE

Name of Company	ASC
How many employees does your company have?	656
How many of these are women?	124
How many women within your organisation are involved in the Masmicro Project?	0
Please describe the current best practises within your organisation; this could include (but is not limited to) recruitment, working hours, life home balances, crèche facilities etc, etc	
<ul style="list-style-type: none">- recruitment by advertising of a post- women with equivalent qualification in comparison with male applicants are employed in favour- working hours: 41 per week and reduced part-time- life home balances possible- no crèche facilities- work place at home for women with children.	
Please describe how you envisage that you will encourage the women in your organisation to participate in RTD activities within Masmicro	
<ul style="list-style-type: none">- favoured employment of women as mentioned above- consideration of possibilities to offer work places at home and reduced part-time for women with children.	

Please describe your thought on how to achieve the following

2 public events (within your country)

ASC (as an university) already arranges several public events per year. The person responsible for MASMICRO project within ASC arranges 2 public events per year regarding subjects dealing with production technologies and production organisation.

Local events such workshops in local high schools

ASC (as an university) already arranges several events and workshops in local high schools per year.

Internships for Women

ASC (as an university) offers so called “girl’s day” where women spend several days at the laboratories of the faculties.

Attracting more women to manufacturing industries women

See above: “girl’s day”

Please confirm if you can nominate an employee to be part of the advisory board – although this is not compulsory (I would suggest we are only looking for 6-10 members), these do need to be split across Europe

Please nominate the woman who will form part of the Gender Awareness Group
