<p>At our institute 2/3 of the personnel are women. Women are working actively at research and materials development. At IFP women already participating at Masmicro related activities.</p>	

Please describe your thought on how to achieve the following

2 public events (within your country)

Local events such workshops in local high schools

We have a number of students visiting IFP from different high schools and universities. Using this opportunity IFP can organise such workshops during their visit.

Internships for Women

Not possible

Attracting more women to manufacturing industries women

Please confirm if you can nominate an employee to be part of the advisory board – although this is not compulsory (I would suggest we are only looking for 6-10 members), these do need to be split across Europe

Please nominate the woman who will form part of the Gender Awareness Group
