How many of these are women?	Approximately 50%
How many women within your organisation are involved in the Masmicro Project?	0
Please describe the current best practises within your organisation; this could include (but is not limited to) recruitment, working hours, life home balances, crèche facilities etc, etc	
According to the Danish legislation and labour union agreements.	
Please describe how you envisage that you will encourage the women in your organisation to participate in RTD activities within Masmicro	
There are no women employed in the R&D department.	

Please describe your thought on how to achieve the following

2 public events (within your country)

We will not do any special activities.

Local events such workshops in local high schools

We will not do any special activities.

Internships for Women

We will not do any special activities.

Attracting more women to manufacturing industries women

We will not do any special activities.

Please confirm if you can nominate an employee to be part of the advisory board – although this is not compulsory (I would suggest we are only looking for 6-10 members), these do need to be split across Europe

Please nominate the woman who will form part of the Gender Awareness Group
